Comments on INSTRUCTOR:

(Instructor Text/Memo)

Sergio, Chaves Instructor

- Very good at explaining important concepts. Very helpful at office hours if you did not understand a topic. My only recommendation would be that sometimes he can speak a little quiet as class goes on, but other than that great experience.
- Even though less students started showing up, I think the instructor did his best and I enjoyed his class!
- Ok instructor but if there option (with my schedule) to switch out and try with someone else I would.
